PROFESSIONAL EXPERIENCE

Freelance Brand Designer

Self-Employed | Toronto, ON
06/2023 – Present

- Partner with startups and small businesses to develop strategic brand identities that differentiate them in the market and strengthen customer connection.
- Design branding systems across logo development, typography, packaging, social media assets, and marketing materials for digital and print applications.

- Lead projects from concept development to final production, ensuring consistency across brand touchpoints and deliverables.
- Serve clients across food and beverage, lifestyle, startup, and education sectors.
- Designed 20+ brand identity projects and supported 10+ clients.
- Helped establish branding for 3 startup businesses from concept through final execution.

Branding Designer

Pagoda Capital | Hong Kong
05/2021 – 05/2023

- Created scroll-stopping social media posts and short-form videos for Instagram, Facebook, and YouTube to improve communication clarity, audience engagement, and brand visibility.
- Produced 4 social media posts per week and edited 1–2 short-form videos weekly to support ongoing marketing campaigns.
- Designed 100+ social media assets and supported 10+ campaigns across digital marketing initiatives.
- Developed exhibition and event visuals including posters, publications, pop-ups, roll-up banners, and display panels for large-scale investment exhibitions.
- Supported print production and brand applications across promotional and event materials.
